Introduction
general characteristics of the collection

La collezione FORM è una serie di mobili “monoblocco” caratterizzata da 3 tipi di lavabi in ceramica nelle varie misure + lavabi in cristallo + mineralmarmo, la peculiarità però è anche di poter realizzare una sorta di bicolore tra ante / cassetti e cassa mobili che sono disponibili in IDROLAM (sp. 18 mm) nelle finiture Sukupira, Brujes, Metz, Tranché chiaro, Tranché scuro oppure nella finitura laccata opaco o lucida nei colori della mazzetta BERLONI BAGNO.

The FORM collection is a series of “one-piece” units featuring 3 types of ceramic wash basins in different sizes + crystal glass + mineralmarble wash basins. The special feature, however, is being able to create a two-tone result with doors/drawers and carcass, which are available in IDROLAM (18 mm thick) with the finishes Sukupira, Brujes, Metz, and dark or light Tranché, or with matt or gloss lacquered finish in the colours from the BERLONI BAGNO range.

STRUTTURA DEI MOBILI

Caratteristica del mobile sono i fianchi che coprono l’anta / cassetto in gergo “anta in luce”, la maniglia è ricavata direttamente nell’anta / cassetto sagomata e rivestita da un profilo di alluminio.

UNIT FRAMEWORK

The units feature sides that cover the door / drawer, a style known as “inset door”, the handle is created directly out of the door / drawer, where it is shaped and then covered with an aluminium trim.

TOP CERAMICA

I top in ceramica sono di 3 tipologie denominati PR - NR - ZR, ciascuno di questi ha una vasca capiente e di design accattivante, disponibile in 3 misure il lavabo PR, in 4 il lavabo NM e in 4 misure anche il lavabo ZR.

CERAMIC TOP

There are 3 types of ceramic top, known as PR - NR - ZR, each with a large basin and eye-catching design, available in 3 sizes for the PR basin, 4 for the NM basin and also 4 for the ZR basin.
